

2024 THE HOMELESS BANQUET SPONSORSHIP

ABOUT US

Dear Sponsors,

Thanksgiving Dine-in Experience for the Homeless

This Thanksgiving, we're excited to host a special event to bring a memorable dining experience to homeless individuals in our community. Imagine a beautifully set banquet where volunteers, dressed in black bottoms and white shirts with ties, serve a delightful three-course meal—no trays, no paper plates, and no waiting in line.

We are also partnering with organizations that provide services like health checkups, haircuts, or clothing donations to offer more than just a meal.

Beyond the food, these events often offer additional services or resources such as access to healthcare checkups, haircuts, clothing donations, and information about local support services. The goal is to provide holistic support, addressing immediate needs while also connecting individuals with resources that can help improve their situations.
